## **AutoCAD Free Registration Code [32/64bit] [April-2022]**

On January 18, 2005, the first major release of AutoCAD Crack Mac appeared on the market, AutoCAD For Windows 10 Crack 2002. The software was available in both trial and full version. On June 11, 2012, Autodesk announced the release of AutoCAD 2014, including various other products and updates, as well as a new release of the program called AutoCAD LT, which contains AutoCAD-compatible tools that run on low-end personal computers (PCs). Autodesk's Autodesk Home Page [ edit | edit source ] AutoCAD 2004 [ edit | edit source ] AutoCAD 2004 was released in 2004. In addition to being a CAD program, it was also a database program and a so-called virtual engineering program. It ran on Windows PCs and was compatible with AutoCAD 2003. AutoCAD 2004 featured a new "geometric modeling" feature. This new feature allows a user to specify and manipulate shapes using common parameters, such as diameters, heights, radii, and angles. AutoCAD 2004 was the first version of AutoCAD to feature the new Polygonal Feature Class, or PFC. The PFC is a class that is used by AutoCAD to represent the actual shape of a feature, rather than the coordinates on a 2D or 3D plane. With this new feature, complex shapes (such as complex curves, circles, and other complex shapes) can be represented in a single feature, rather than multiple features. Additionally, there was a wide-angle lens function that can be used in 2D and 3D space to depict real-world optical devices. This lens function is used to depict tools such as prisms and mirrors. AutoCAD 2004 was also the first version of AutoCAD to feature the "AutoCAD Paint Shop Pro" add-on. The Paint Shop Pro add-on is designed to help users create high quality 2D and 3D documents. Additionally, the Paint Shop Pro add-on allows users to convert shapes from other software, such as SolidWorks, into editable shapes in AutoCAD. AutoCAD 2004 contains many new features, such as the "Compass" tool, which allows users to draw geometries around objects, and the AutoCAD "Perspective" tool, which allows users to view three-dimensional objects from any angle, even though they may be rotated in 2

## **AutoCAD Crack With License Key Free Download [Mac/Win] 2022 [New]**

Architecture applications: Autocad Architect, Autocad Building Design, Autocad Civil 3D, Autocad Electrical, Autocad Landscape, Autocad Structural Design, AutoCAD MEP, AutoCAD Navisworks, AutoCAD Plant 3D, AutoCAD Mechanical, AutoCAD Network, Autocad Architectural Design, Autocad Autodesk Exchange, Autocad Product Design, Autocad Product Lifecycle Management, Autocad Product Structural Design, Autocad Project, Autocad Manufacturing, Autocad Architectural Design and Construction, Autocad Facility Design, Autocad Digital Design and Construction, Autocad Home Design, Autocad Estate Design, Autocad Consulting, Autocad Interior Design, Autocad Digital Design, Autocad Civil 3D, Autocad Landscape, Autocad Office Design, Autocad Interiors and Project, Autocad Interior Design, Autocad Mechanical, Autocad Architectural Design, Autocad MEP, Autocad Facility Design, Autocad Product Design, Autocad Product Lifecycle Management, Autocad Project, Autocad Production Design, Autocad Project Engineering, Autocad Public Works Design, Autocad Structural Design, Autocad Structural Design, Autocad Surveying, Autocad Surveying, Autocad Urban Design, Autocad Utility Design, Autocad Architecture, Autocad Building Design, Autocad Civil 3D, Autocad Electrical, Autocad Landscape, Autocad MEP, Autocad Office Design, Autocad Interior Design, Autocad Interiors and Project, Autocad Facility Design, Autocad Product Design, Autocad Product Lifecycle Management, Autocad Project, Autocad Production Design, Autocad Project Engineering, Autocad Public Works Design, Autocad Structural Design, Autocad Surveying, Autocad Urban Design, Autocad Utility Design, Autocad Mechanical, Autocad Mechanical, Autocad Mechanical, Autocad Structural Design, Autocad Surveying, Autocad Urban Design, Autocad Utility Design, Autocad Mechanical, Autocad Structural Design, Autocad Surveying, Autocad Urban Design, Autocad Mechanical, Autocad Structure Design, Autocad Utility Design, Autocad Product Design, Autocad a1d647c40b

## AutoCAD Crack+ License Keygen Free

Copy the data to the correct location: File: C:\ProgramData\Autodesk\Autocad2014\ DataDir:  
C:\ProgramData\Autodesk\Autocad2014\ User: C:\ProgramData\Autodesk\Autocad2014\Users\Youruser.lion\ Example:  
DataDir: C:\ProgramData\Autodesk\Autocad2014\Users\MyUser.lion\ Q: Using array\_unique on a multidimensional array I  
have an array that looks like this: Array ( [0] => Array ( [id] => 4 [user\_id] => 9 [login] => philips ) [1] => Array ( [id] => 4  
[user\_id] => 7 [login] => barack ) [2] => Array ( [id] => 4 [user\_id] => 6 [login] => jay ) [3] => Array ( [id] => 4 [user\_id] =>  
4 [login] => gary ) ) I would like to remove all the duplicates. I have tried array\_unique and array\_merge\_recursive, but this  
does not work when the dimension is more than one level. I can see why array\_unique does not work with the two examples  
above, it

## What's New In?

Draftkit (a new subscription plan): We are rolling out a subscription model for Autodesk® Design Review™ tools to make  
Autodesk Design Review 2023 more accessible for everyone. Create sheets using AR tags (“Actions in a Box”): Create sheets  
automatically as you create other parts of a drawing. You can automatically create a new sheet with a specific tag name, or use a  
tag to create a new sheet. Open Revit Drawings: Import drawings created in AutoCAD and other Autodesk products directly  
into Revit. Schedule your review with AutoCAD now: Autodesk® Design Review™ will now be available as a standalone app  
on the App Store for iPhone and iPad and the Google Play Store for Android™. Next generation Chalkboard Express: The  
Chalkboard Express app for iPad now has an interactive version of AutoCAD that will be released later this year. 3D  
annotations: Trace your drawings in 3D and create your own annotations in 3D. Annotations will work in AutoCAD applications  
and mobile apps. New IES files for VR/AR: The new format, IES VR (Virtual Reality) has been created specifically for use  
with Autodesk VR, AR and Mixed Reality (AR/MR) products. IES AR (Augmented Reality) is the new standard format for  
AR, including Google Glass, Microsoft HoloLens and other mixed reality applications. (1) Introducing File Format  
Improvements (2) Design Tips and Enhancements (3) Multimedia Inclusion (4) Cloud (5) Education and Training (6) New Task  
(1) Introducing File Format Improvements (2) Design Tips and Enhancements (3) Multimedia Inclusion (4) Cloud (5) Education  
and Training (6) New Task (1) Introducing File Format Improvements In 2019, we announced a series of improvements we  
made to the file format in AutoCAD. AutoCAD Civil 3D 22 is the first release of the new format, and we are now delivering  
the new design to our active users. We expect this change to improve user experiences. To start using the new format
