The Blu-ray video is not the same as the Netflix one (and I don't understand the purpose of this or of the low-quality video). The DVD version is the only one with video and music, and a Japanese and an English language version. The release date: April 24, 2020 . Some digital video recording systems (“DVRs”) are available in consumer electronics products such as digital video recorders for recording video streams from broadcasts or from Internet-accessible services such as Hulu, Youtube, and Netflix. In conventional DVR systems, a user may choose to record an episode of a video program, such as a television show or a movie, and then view the recorded episode at his or her leisure. Such recorded content may be viewed by one or more users who join a communal viewing session, such as a so-called “viewing party,” via an entertainment network such as a cable television network, a satellite television network, or a satellite Internet broadband network. A lawyer who obtained sensitive personal information from a Facebook group that targets sex offenders says she believes the social network is trying to block her from talking publicly about the project. The lawyer, who obtained the information and provided it to a CBS News producer, was worried her name would be revealed because she obtained it from a Facebook account that has since been deleted. She has asked to remain anonymous but she will answer questions from the media. “I have written to Facebook and asked them not to block me because I have a responsibility to my clients, and I have a responsibility as a citizen, to speak out when Facebook is 82138339de
