Scripting Magic Volume 2 - Pete McCabe. Price: £39.99 Price without taxes (non-UK buyers): £39.99. Rewards points required to purchase: 800. was the first ... and it failed. The Magic of Scripts, published in 1978, is truly the first book that could get me to not just "withdraw into myself", but to devote myself completely to writing scripts. I have written three books on programming and have never been able to figure out how it works. And then suddenly I realized: "This is magic!". This is the "magic" that makes you forget about time. A book about programming, yet just like any other programming book.
