October 18, 2019 - Fixed another rifting issue that prevented the system from booting up correctly. Make sure all online players are moved to the new fixed ship. all online players have been moved to the new fixed ship. Fixed issue with non-convergence of ships in the arena. now non-convergence is not only a bug with incorrect display of flags. Fixed an issue with incorrect display of the flag after the battle in the arena. Now only the flags of the winners will be displayed in the battle in the arena, and not the flags of both sides. Fixed issue with incorrectly displayed flag when both flags of the losing team are OK. Fixed issue with flags not displaying correctly in Arena mode.
