
Portable Honestech VHS To DVD 3.0 (03 01 2010)

[Download](#)

honestech VHS to DVD 5.0 4€4€Deluxe has three modes: 1) Easy Wizard Mode, 2) Advanced mode and 3) Audio recording. The Easy Wizard mode provides step-by-step instructions. After its completion, you can independently use the advanced mode. In this mode, you can create a video disc with a DVD movie recorded on a VHS tape. For the DVD player, you will need to select the burn speed options and select the type of DVD. Then you will need to specify the recording location and select the recording method. In this mode, you can make a copy of only part of the movie. The audio recording is designed to copy the audio track of a movie from a VHS tape and then transfer it to a personal computer.
