December 14, 2013 - I don't know what happened, but after a few crashes, my system worked and said to activate the license for Windows 8. I started using the computer and suddenly everything disappeared. I checked and installed the Windows 10 update that was sent to me from Windows Update, but nothing worked. I tried to load some drivers and windows restarted again. Then I tried to reinstall windows 10 to windows 8 but got error 0x80073712 and just reinstalled windows 8 with windows 10 and installed the drivers again. As of today,
