Naruto Themes Windows Icons is a lightweight app which, as its name implies, contains Naruto-themed icons for your program shortcuts (ICO format). It can be easily handled, even by users with no experience in software programs. The archive contains six icons, and each of them depicts an important element from "Naruto", namely the Leaf village, Shikamaru Nara and Uchicha clan symbols, Kakashi Hatake's Sharingan eye, the Shuriken, and the seal of the 4th Hokage. Aside from the Leaf symbol icon which has a size of 32 x 32 pixels, the items have a size of 48 x 48 pixels. Obviously, they occupy a very small space on the hard drive, ranging from 52 KB to 124 KB. The icons can be easily applied to your shortcuts. All you have to do is open the Properties section via the context menu of any shortcut, go to the Shortcut tab and specify the new icon for the item, by using the file browser to locate it. The bottom line is that all fans of the "Naruto" series should be pleased with Naruto Themes Windows Icons, whether we are talking about the manga or anime series. On the downside, the tool has not been updated for a long time. The icons can be easily applied to your shortcuts.
