How to Play Halo 2 on Windows Vista
So after waiting in line for almost an hour during the midnight launch I finally got to hit the store. And boy was it worth it. I am so sad that no one got Halo 2 for Windows Vista. :s I got it and it is awesome. Can't wait for the new Bungie games. I'm telling you Windows Vista has to be one of the best OS's out there. It's like a fresh Windows XP, with all the new features. I'm also impressed with all the new games that have come out for

Windows Vista. The perfect OS. Don't get me wrong, I still love Windows XP but I'm finding that Windows Vista has improved on it so much. Definitely worthy of the upgrade for me.
