Skyrim saves work on the Steam version? deathfromabove, Dec 25, 2013. Nov 17, 2019 A memory plugin as many times I have tried to add a sprite and it would still display the texture, I am able to reproduce the issue so I'm guessing its a glitch. This is small/advanced glitch. Also on xbox using the Xbox-Controller, the mod is not working. On PC I get this error: There is no active game, or Skyrim is currently in the background (it's minimized or
