Tara Adams (Debbie Ryan: Jessie, The Suite Life on Deck) is an average high school student. except for one little thing. Tara has a secret - a secret. April 19, 2562 BC A second before she was killed, Tara thought she saw something. No, she can't be wrong. Because as soon as her eyes began to roll back, she saw a face in front of her... - Hello, Jessie. It was the first thing that came to her mind, and if she had known how it would sound, she would have said something less... ambiguous. It seemed to her that she was about to pass out, although in fact it was not. Instead, her brain seemed to be trying to digest all the events that had happened to her.
