

. Building Designer Update 5. RE: aecosim building designer 16 I have spent 5 hours to find this error. I tried in the website link like: RE: aecosim building designer 16 How to get that problem?? A: Finally found it: RE: Hevacomp Mechanical Designer V8i AECOSim Building Designer version 10.00.20.12.10 aecosim building designer v8i, aecosim building designer connect edition download, aecosim open building designer, aecosim building designer v8i . I have spent 5 hours to find this error. I tried in the website link like: . V8i 209 I just uninstalled and installed it again, It works! I am beginner the V8i substation design, could you help me? how can we start? I think you have two questions here:

First one: I am beginner the V8i substation design, could you help me? how can we start? You can start by reading: It is not required to be a licensed designer to use the AECOSim building designer. However, I have found if you have AECOSim Building Designer then the AECOSim V Building Designer only support a subset of the functionality of AECOSim Building Designer . If you have AECOSim Building Designer Connect Edition. If you have AECOSim Building Designer Connect Edition, you can find the is not required to be a licensed designer to use the AECOSim building designer. However, I have found if you have AECOSim Building Designer then the AECOSim V Building Designer only support a subset of the functionality of AECOSim Building Designer . If you have AECOSim Building Designer Connect Edition.. After you have built the model with you are satisfied with the model quality, you are ready to view the model in the AECOSim Building Designer . Once you have located the model in the AECOSim Building Designer, you are ready to view the model in the AECOSim Building Designer . Second one: How to get that problem?? You seem to have posted the message on an unsupported host. This is not supported. Please post
