sentence is often used to show a back-handed compliment. 1. Field of the Invention The present invention relates generally to a heat exchanger, and more specifically to a heat exchanger used for a power system such as an internal combustion engine or an electrical generator, and a method of manufacturing such heat exchanger. 2. Description of the Related Art This type of heat exchanger is used in an automotive vehicle, for example, as a radiator or an evaporator or an oil cooler, for example. The heat exchanger includes a
