“The Elden Ring,” an action RPG, is a fantasy tale set in the Lands Between, the place that exists between the realms of life and death. It features a music composer who creates the fantastic tunes that accompany your journey. You can freely select the character you want to play as, including the demon lord race, and develop the character that you want to play as. For the first time in a fantasy action RPG, you can climb the ranks by strengthening your abilities through various quests and online play to the highest position in the court of the Demon Lord, Erdenes. The game is scheduled to release in 2019. ELDEN RING GAME: • A Vast World Full of Excitement. A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. • Create your Own Character. In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. • An Epic Drama Born from a Myth. A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. • Unique Online Play that Loosely Connects You to Others. In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others.
