Elden Ring is a new fantasy action RPG inspired by the Silver Series of Final Fantasy. It is the grand sequel to the 2013 title Tarnished Knight. The world of Tarnished Knight came to a halt. It was a time in which the lands of the Elden were threatened. The Elden, who had split themselves into two, fought against each other. Even in a time when war was rampant, the Elden was fighting to protect their lands. Then a major battle happened. The Elden destroyed an enemy army and scattered them. The once peaceful days in the land were restored. The Elden reunited and started recovering from the wounds of war. In addition to the hope of rebuilding the Elden, they also heard that a new threat was coming down from the skies. Yuki Seyū is a powerful thief who steals from both nobleman and bandits. Yuki comes across a group of mysterious thieves who call themselves the Golden Dragon. The Golden Dragon seems to be a party of thieves who are on the run from the Law, and Yuki joins them, feeling that it is fate. This band of thieves is named Tarnished Knight. Their main objective is the Elden Ring. This is an essential artifact that empowers the Elden's attacks, allowing them to become strong enough to overcome the land's strongest battleship. As a new thief, Yuki joins the Tarnished Knight to steal the Elden Ring. When the Tarnished Knight takes the Elden Ring, however, the Elden start to fall apart. In an emergency situation, the Tarnished Knight is able to use the power of the Elden Ring, but if you do not join, you will not be able to use the Elden Ring. The Tarnished Knight are on the run from the Law, but Yuki joins. Yuki, Tarnished Knight, and the Elden will now work together to steal the Elden Ring. *Gameplay Features* Many contents are under development.
