Crack is a new fantasy action RPG game that was developed by Ndop Biaxie from France with a budget of 30,000 euros. The basic plot revolves around a conflict between a team of young adventurers and the powerful and lethal monsters known as the Elden. The game's protagonist, a young boy who will be known as the one who learns the ways of Elden's power, is taken on a journey through the vast wilderness known as the Lands Between. Along the way, he will encounter many obstacles and new challenges as he strikes out on his own quest. The majority of the game's monsters are anime-like men with animal-like features, and they always appear in groups of three. The player has the choice of unleashing "Outer Darkness" and transforming the player into one of the monster's bodies to take on the monsters directly. The player is also able to transform into a human form, granting him the ability to use some forms of magic, including teleportation and telekinesis. The game is also available on the Play Station Vita, Nintendo 3DS, PlayStation 4, and Xbox One. Hey i ran the game three times on your site but when i open the game it goes to the title screen with

## **Ratings and Reviews:**

**Elden Ring: Tarnished works on the following systems:**

**Wii U: NANO, Wii U, Nintendo 2DS (NTSC-J, PAL), Wii, 3DS (NTSC-J, PAL)**

## **Wow File Finder's comment:**

**Elden Ring: Tarnished is the latest in a very active genre and fills a niche that Blackguards does not do, as well as the other fantasy action rpgs. It is by far the most complex, surprisingly relaxing, and fun game I have ever played.**

**They have a lot of post launch content planned in the future along with free updates.**

**..... go read the description below, dont just click on the link, you will regret it.**
