Rule the Lands Between, revive the ancient realm of Elden and go forth to bring glory to the lands that stand as a symbol of ultimate authority and a guide that will lead you to prosperity. The content of this game is the outcome of several years of hard work, and it is the final product of our goal to work even harder and improve the content. The online function is also a result of the hard work, and the development of new content and the improvement of the content is ongoing. The online aspect of the game includes the following:

- Matchmaking. A Player Board that organizes groups for players
- Matchmaking. You can check the Player Board to see where there are players that are waiting for you to join a group.
- Matchmaking. A tab on the player panel that displays all players and if they are waiting to be matched with you.
- Map. You can see which areas of the world are available for players. The map is composed of three levels. The area that each character can move to is displayed by a shaded area.
- A list of other players that are nearby. The list includes their name, character name, actions, etc.

## **Elden Ring Features Key:**

Elden Lord Character Advancement Elden Lord? Or Tarnished? You decide! The most unique RPG. Elden Lord users can plan their future through progressive advancement. Through hundreds of tasks in the game, as well as side quests and events, the path you choose opens up the next major upgrade that will allow you to fight with new powers and equipment.

Bufs and Abilities Restore the health and magic of your character through buffs. The effects of buffs do not wear off automatically. Although the buffs remain active over time, as you use up the remaining effect, the buffs themselves eventually disappear. Buffs have a specified use period; for example, if you use a stacking buff during battle, that buff will apply to and be used to battle your next attack. Enjoy using buffs to amplify your skills in battle.

Unlockable Equipment & Skills Open up a new, mystical world as you advance through the game, unlocking special equipment for your character. In addition to gaining strengths you can learn new skills, equipment, and spells to help you find that specific challenge you've been looking for. As you gain experience you'll be able to craft new equipment through a deep gameplay involving marriage. Crafting new equipment opens up a new skill and equipment that give a different stat to the character, helping you find your way through the battles ahead. Explore a deep system of equipment, using unique effects to equip multiple items. Enjoy over 100,000 combinations to bolster your combat ability.

A Battle System Unique to the RPG Genre A complex action RPG. Unique to the genre, "A battle system that was feared by all." Tarnished is a game that incorporates a variety of battle elements, such as a variety of encounters, burst attacks, special attack macros (timed commands to perform attack combos with ease), movement commands, guard cancel commands, and evasion commands.

---

Through the courage of your actions, the battle system will thrust you into an exciting experience. The battle system operates as a response system rather than a button-mashing system. To meld your strategies with your opponent, or send them running away in fear of your blade and your power, victory and defeat cannot be predicted by you alone.

Heroes Serving as Allies The diverse races of the Lands Between co-exist and even cooperate with one another. Travel to other lands and meet new companions. Your

★★★★☆ Tarnished Rise and Be A Lord Of The Elden Ring Activation Code ★★★★★ "I've been waiting for an action RPG that sticks to the formula. As someone who plays all kinds of games, the genre that sticks out as the most fun to me is the genre that moves, and THE ELDEN RING is that kind of game. I get to pick which classes I level up, I get to create my own character, and I love the story. The way the game looks is consistent with my expectations, and it still has its own look that feels unique. I recommend playing the game. This is the kind of game I want to play now."(Nate Ashworth, GameSpot) "One thing that particularly stood out to me is how easily you can come up with gameplay ideas. I was able to spend endless hours trying to come up with what the right idea would be, and there are so many things to do it just makes me want to throw in as many hours as possible playing the game."(Alex Mihailovich, GameSpot) ★★★★★☆ Tarnished Rise and Be A Lord Of The Elden Ring ★★★★★ "THE ELDEN RING is a joy to look at, a game where you are given room to breathe. It's easy to get lost in the city of Elden, and the developers have done a good job giving this city a personality that is unique from the rest of the world. There's a real sense of life to everything and everything moves around the city like it was built to the same level of detail."(Joe Fielder, Destructoid) "I always have a blast when I'm playing action RPGs. THE ELDEN RING was no exception and delivered a really fun experience. The fast-paced combat with lots of spells and combo attacks is great. A fun gameplay mechanic is the building of a magic staff for each class. While looking for weapons, I found a staff and decided to try it, and it ended up being an absolute blast."(Zach Brown, Game Informer) ★★★★★☆ Tarnished Rise and Be A Lord Of The Elden Ring ★★★★★ "THE ELDEN RING is a lighthearted RPG with combat a joy to play. However, that' bff6bb2d33

• Challenge 1. Main Story You have awakened by the will of the gods to live in a world where all things are possible, and you must now take the first step into this new world. It begins in a world not unlike this one, where humanity lives in peace together with the Elden and their allies. The Elden has awakened after a long slumber, and its people need to gather. In this world, the Elden have a great power that can destroy everything, and all they have to do is defend. Somehow, the Elden have been connected with you, and an evil has befallen the world. Seek out the strangers in the world, and learn what lies before you. In a world where a tale of epic drama unfolds, determine your destiny and fight the world's demons.

• Challenge 2. Challenge of Life The story in this world is strange. Which of the humans is the true king? Who are the real gods? What role are they playing? The biggest mystery is how you came to live in this world, but who are you? Unlike this world, what you see here is more of a dream. Dreams cannot be changed, so don't give up! If the place where you live is a dream world, as you change your destiny, your dream can change as well. The dream is unlimited, and as you ascend to the summit, there will be nothing you cannot do. A dream where you can travel freely and explore a fantasy world.
