She says the murder of an opposition

leader suggests a "worrisome attitude by the government towards their society". Phan Ki Phi was shot in September 2008, at the age of 43. Speaking on a conference at UNOCITÉ conference centre in

Brussels attended by media, civil society organizations and officials from Western countries, Chisunda said Cambodian society lacked confidence in the way the government was "managing the country". The MPFJ's cooperation with other groups would continue, she said. Chisunda condemned the recent shooting of An

Clark is a fixture at the Marquette Symphony Orchestra. She's also a fixture on the stage at Charity Hall, where she is performing as the musical director of the pageant. But Clark is venturing further from her

comfort zone to perform at a 2009 wedding at a private residence in Milford on Saturday, May 3. Her role is to lead the high-energy musicals that are the tradition at weddings. "Typically, it's done in

conjunction with one of the live bands, but they're very popular in the wedding world," she said. "And it can be the easiest way to get in some of the three-minute dancing and party music." The wedding is at

the residence of one of the guests, and it's the first wedding Clark has performed for. "The bride-and-groom live in the community and don't often have
