The first game developed by Big Hero Studios that originally inspired by the God of War franchise. FEATURES • An Epic Drama with a New World, Characters, and Story The Lands Between is the setting of the game. The Lands Between were once an eternal calm until the loathsome beasts, who had once threatened the peace of the lands, were vanquished by the actions of a valiant and powerful prince. The prince and his followers created the organization "Elden Ring" and began a battle to protect the peace of the Lands Between by traveling to the ancient Holy Land and defeating the monsters that threaten peace. Please note that the worlds of the following two can be visited only after finishing the main story of the game. 1. The Holy Land 2. The Kingdoms of the Lands Between • A Vast World Full of Exploration A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. You can freely switch to a first-person view, helping you take advantage of the features of the game. • Customize Your Character You can freely customize your character's appearance, weapons, and armor. You can combine your character's weapons, armor, and magic to evolve your character as you like. In addition to your physical attributes, you can add a variety of skills from the beginning of the game. You can exchange your existing items and equipment for new items at the treasury. • Master Magic In addition to your physical attributes, you can increase your magic power in order to use a broad variety of magic spells from the beginning of the game. For example, increasing your magic power increases your magic attack, attack speed, and accuracy, as well as damage and magic attack speed. • Maintain a Name Your character gains a name in the game based on his battle results. You can exchange the name of your character at the treasury. Do not use characters in real-life. If you use a name of a real-life character, your character will fail in the battle. Also, please do not use a name that is common in real-life. • A Vast World with a Huge Map The game map has been made large with a lot of content so that you can freely travel in the game. In addition to

STATE OF PLAY. ----- [Our next game is the Empires Expansion] Overview of Empires: "Greatest number, but not the most powerful" The great number of Empires is proof that the world of Empires is a world without equal, but it has not developed to its full power due to the evil spirits ruling it. The various forces that surround the world of Empires are in various states of development. We see a world in which mankind has yet to solidify its existence and the natural world's inherent laws have yet to be properly grasped. The mysterious existence of the technology of creatures where high speculating all kinds of theories, and yet the truth behind these is still unknown. The balance of the world of Empires is tilted in favour of the monarchs as many of the races that have developed, and they are determined to unite the kingdoms for their own purposes. The Empire of Empires is a story of ambition and greed, full of the weak and the powerful. I will not reveal the story of Empires. Expansion of Empires As Empires expands, we continue to develop our new battle system, and we are finally releasing the final form of the battle system you have been playing. At the same time, we are working to improve the aesthetics of Empires and polish the performance of the basic system. [Our next game is Tales of Berseria] Overview of Tales of Berseria: "Exchange power and glory with your friends." In Tales of Berseria, the story of our hero, Velvet, continues. Follow the path that leads to the mystery of a mask and the freedom of the power of the soul that lies beyond it. The power of God's power in my life, the dream that becomes reality and travels around to all the people I care about. These are the three wheels that make up the power of the soul. You can "Glorify," "Possess," and "Imprint" these power elements to strengthen your own soul power. ■ Gameplay Over the main game, we're further enhancing the combat system and content. ■ Graphics The graphics for Tales of Berseria are improved with new designs of the areas, characters, music, and new animation and 3D models. ■ Speed
