- The Audience Reached The Expected Number of Players The game launched on January 18 at 10:00 a.m. PST and exceeded the expected number of players. (the number of players expected was determined based on the population of the players who started playing the game within a day of the announcement of the game.) - The User Map Reproduces Naturally the Various Situations in the World of Elden Ring Cracked Accounts The number of players in an area in the game changes depending on the player's level, but the number of players in an area has also been taken into account. The number of players in an area changes with the player's actions. - Player In-game Guild Organization Is Possible The amount of guilds, guilds, and regional guilds that exist in the game varies with the number of players, and organized guilds exist for each area in the game, so you can become the head of one or visit others in the game. - Absorbing the Feel of the Show The usual online environment is converted into a fantasy world. Taking on the role of an epic adventurer, you'll be able to enjoy the sense of adventure that exists in an offline RPG. ※ ELDEN RING Game Contents Game App: Additional Contents: Character Creation PREVIEW ◆ Online Battle - Players can play with other players and can travel together with them. - Players can change their equipment and skills by interacting with and exploring the world. - Players can gain experience points by defeating enemies. These experience points are used to increase the level of other players and your own character. - Players can go to the place that they want to battle on the basic map to form a party to travel together. ◆ Place and Features In the Overworld - Each area and dungeon is divided into smaller maps to be more convenient to travel together. - The game presents a new world full of excitement every time you play the game. ◆ New Items and Battles System - You can create your own map by selecting the path that you want to travel and following it as you fight, wander, and explore the new

world. - New areas and dungeons will appear if you complete certain actions. - You can fight with your own items as well as other players. - You can also fight with other people's items by waiting for your character

Features Key:

In the main mission, you can complete quest-based tasks seamlessly along with your allies.
You and your allies can easily progress through the main quest line, and you are able to transfer your character's data from the previous version to the new one without resetting the game.
Gather your allies and fight alongside them to defeat the main enemy.

What's new in Elden Ring:

A Vast World Full of Excitement A vast world where open fields with a variety of situations and huge dungeons with complex and three-dimensional designs are seamlessly connected. As you explore, the joy of discovering unknown and overwhelming threats await you, leading to a high sense of accomplishment. Create your Own Character In addition to customizing the appearance of your character, you can freely combine the weapons, armor, and magic that you equip. You can develop your character according to your play style, such as increasing your muscle strength to become a strong warrior, or mastering magic. An Epic Drama Born from a Myth A multilayered story told in fragments. An epic drama in which the various thoughts of the characters intersect in the Lands Between. Unique Online Play that Loosely Connects You to Others In addition to multiplayer, where you can directly connect with other players and travel together, the game supports a unique asynchronous online element that allows you to feel the presence of others. Two Hearts is a fantasy MMORPG with a 20-year old storyline. It is difficult and somewhat slow, but according to the user reviews, it is charming. It is both a series of adventure and action and it's not as easy as it looks at first glance, even if you are not a completely newbie. Both PvP and PvE can be in the game and you can participate in both without missing anything. Two Hearts: Online Game is based on a long-time copyrighted work of the Korean MMORPG NONE. It's developed in collaboration between a new company Bronze Games and a Korean studio NONE, which owns the title NONE's Online Game. In it, players can obtain contracts within a world where three gods roam. Summary: Two Hearts Online Game is a fantasy MMORPG set in a world where three gods roam and all the inhabitants of the world live in harmony. It's difficult and somewhat slow, but the game is charming and many people agree that it is the best title in the genre. Three gods are the master, the guardian, and the bounty of the world and they are three unequal and competing factions. In order to keep good relations with others and to earn respect, players must hunt down monsters and fight against monsters. The player can obtain contracts within this world and then find ways to hunt

down monsters. The contracts generally include trading, defensive battle against monsters, delivery,
