• A Fantasy Action RPG that delves into the World of Legend A Fantasy Action RPG that takes place in a world between the World of Legend and the World of Material.

• The Overwhelming Might of the Elden The protagonist, who is the bearer of the power of the Elden Ring, encounters many challenges as he goes on his journey to become an Elden Lord.

• Tuned for both Casual and Hardcore Gamers Play against enemies through real-time battles or turn-based battles.

• Challenging Gameplay and a Unique Story The story branches according to the actions of the player, with an endless series of outcomes for each choice you make.

- What is the story of this game? \* This is a game played through both the story that is played out in the actual RPG and the story that is experienced through the mystery surrounding the World of Legend.

- What kind of battles will you be fighting? Battle is a core element of this game, and you will be able to control the action of your characters in the battles and experience the combat through action. In addition to the typical 2D action RPG, you can control your character's actions using the touch screen.

- Why did you decide to make an RPG that is played in a Fantasy world? I wanted to make an RPG that blended the popular characteristics of an action RPG and RPG. In addition, I want to write a story about a world that in which the two parallel worlds meet.

- What level should I play at to enjoy the game? This game is for both newcomers and veterans. It will be understandable even if you don't have any experience with RPGs.

- How is this game different from other RPGs? It is set in a world between the two parallel worlds. It is a drama that unfolds through the story, and the battles are played with in the same world. By playing with the 2D sidescroller, it feels like there is an action RPG that is being played.

- How did you come up with the idea for this game? This was a game I was always thinking about when I was young. I always daydreamed about a game in which I could choose either to destroy my enemy or be killed by them.

\* Character Design \* When does the game release? The game will be released sometime in the fall of 2018. We

his career thanks to the fact that he was an unathletic looking guy that had the voice of a pop star. Stu became so inspired by his songwriting talent that made him used by songs like "I'd Die For You" written by Frankie, "I Can't Sleep" composed by Dr. Feelgood and "Hometown Stealing" from the album "Cut & Paste" by Bitch, that he decided to quit his job to become a music writer. The opportunities were endless, and he was a new star called Johnny Lira. On this topic let me introduce you to him, we are in a club called "Undercover" that is one of the most exclusive places of this German city. Not long ago, Johnny Lira rolled up his sleeves and got a guitar and began to play.
