SOULCALIBUR VI marks the return of the eponymous swordsman to all-new adventures that take him to the land of ancient times where warriors battle for survival with a new arsenal of weapons. "Sword and Gun" is a story of perseverance, of the survival of the fittest in a harsh, cold world. To lay down one's life for the sake of one's country. Defeat enemies with the stylish motion of the "Meteor Shower" fighting technique. Use the "Taol" and "Quadruple Shield" techniques for amazing attack combos! The game also features "Upgrade" from the series' legendary "Blood Vengeance" which lets you enjoy even more action-packed battles! ----- PlayStation Network Game Features: • Over 20 playable characters, with five included in the Main Version • Dynamic Free-Style Battles with Realistic Weapon Attacks • New enhancements to "Weapon Upgrades" and "Upgrade" from the "Blood Vengeance" • One of the most complete turn-based fighting systems in the series "Collectively born from both NAMCO BANDAI Games Inc. and Sony Computer Entertainment Inc., SOULCALIBUR VI takes you on a journey back in time as you're plunged into a beautiful age of mythology, where the overblown rules of the mortal world no longer matter." Enhanced Famicom & MSX Sounds While no difference from the original Famicom game in sound effects, there are four types of bonus Famicom

& MSX sounds, as well as standard Famicom & MSX sounds, all of which can be obtained through various modes of the game. BD version - Three special Famicom & MSX Sounds - "Fighting Spirits" Voice, "Demonic Breath" Voice, and "Advent" Voice ... Thanks for playing SoulCalibur VI! Antifaunal Action Worms Many of the aquatic animal species known from the Cretaceous are worm-like. Amongst these, the most abundant is the annelid worm Anneloceras. Most of the examples of Anneloceras found on the Isle of Skye date from the Cretaceous (e.g. Zwinger, 1983) and are usually small species (Figure 5.3). They appear to have been abundant and well represented in the marine environment. However, in contrast to recent work
