New Item System

At the beginning, you will be given special items as gifts as you play the game. In addition, higher levels will give you better weapons, armor, and magic, as well as more experience points.

New Blood Ability

Elden Ring is a sword and sorcery game featuring a complex Blood Ability system. After passing through a Blood Ability school and absorbing and converting the evil runes accumulated in the body, you can use your blood to suck up some of that black blood, to cast Blood Magic.

New Dungeon Maps

New maps have been added to Elden Ring. Defeating monsters in these new maps will gain you experience. In addition, after defeating monsters, you can drop powerful items on the ground. These items can turn into items of Taming and Barbaric Transformation, and while you are using them, they are known as Beast Fortune and Beast Fortune Items. These items make it easier to fight and to act freely.

New Game Modes

With the extended game time of 30 days and the new Blood Ability system, Elden Ring's appeal has

What's new in Elden Ring:

The action RPG's story is woven into fragments in which the various thoughts of the characters interact in the Lands Between. What did you expect from a Tarnished world? ✧ Tarnished is not the only game whose story is woven together into fragments, but for this kind of game such an element can be used effectively. The vast world of Tarnished is a world that can be explored free from constraints, so you can travel based on your preferences. Explore

the high-end game content, and craft weapons that suit your playstyle. The story of the game is a drama... (more)(less) Battle through a story about a woman whose sense of betrayal by another woman causes her to lose everything, as she transforms from a being just like them to an animal. The protagonist of "Ladykiller in a Bind" is wandering the deepest depths of her cursed land, but she still finds a village that seems to hold answers for her solitude. Battle through a story about a woman whose sense of betrayal by another woman causes her to lose everything, as she transforms from a being just like them to an animal. The protagonist of "Ladykiller in a Bind" is wandering the deepest depths of her cursed land, but she still finds a village that seems to hold answers for her solitude. Along with a few warriors accompanying her, the woman finds an Inn in this peaceful village. Will the woman be able to return to human form? Features: - A brand new story about a woman whose sense of betrayal by another woman causes her to lose everything. - One hour story! To stop the story late you only need to buy one add-on item. - Free Roam in the Wandering Town with Town NPCs! - Find out all about what made this woman go mad. - A fantastic combination of various play styles. - Exciting action and exploration! - Dungeons that can be explored repeatedly after the first time. - An epic battle against an enemy. 1. Story In the town of Ostia, the woman is without hope and is condemned by her outraged family. An important person that did a great thing for her family was also the same woman. She feels that her sense of betrayal was unforgivable. The woman wanders until she finds this village she has never heard of. While she is there, she meets a man. The man, who turns out to be a woman,
