In the section entitled CheckForUpdates' please, double-click the CheckForUpdates.exe icon. Be prepared to wait a while, as it takes a while for the updates to be downloaded. The program may show a message saying that the download has been completed. Once you see this message, press OK. The program will then close automatically. Now that the program has been closed, and you are ready to install the final updates, press Yes to follow the on-screen instructions. The final step is to close the software. Once this has been completed, you are ready to start using the software, or leave it running in the background and use your tablet. Follow the next steps to get started using the software. Once you have properly installed the software, there are several options you can use to use this software. The standard mode in the software is to allow you to view all the features of the software as a listing of all of the different campaigns, and how much money each campaign has raised. In this mode you can see information on different campaigns, such as the campaign title, the amount raised, and also whether or not the campaign is still running. You can also filter the information to show you which campaign you want to view more information on. For example, you can choose to view the campaign with
