Disk Utility - Which to buy. 5 x Serial Numbers. 4 Serial Number.Q: Getting a quote for mail merge services? I'm currently using Forney's software in order to accomplish a mail merge service for our company. The problem is that the fees are a bit high for my small company. Our current invoice is based on the rate on the Forney site. Is there anywhere I can get a quote on something like this? Ideally, I'd like something where I can enter the number of pages we need and it spits out the cost based on that information. A: Check out - similar prices (as a percentage of the base cost). A: Here is a website that will calculate your cost to do a mail merge. You can enter your input data and get a response back with your expected cost.
