01-Jan-2017 - Resolved: Hello, I want to install AutoCaD 2013 on my Windows 10 64 bit computer. Can someone direct me to the download link. Thank you. A: If you want to install AutoCad 2013, you need to use the most current version that Autodesk offers. AutoCAD 2013 does not support 64-bit versions of Windows. Read all 7 posts Good day everyone! Can someone please help me solve a problem? AutoCAD 2009 does not want to work with a USB drive (I mean the image). That is, if the image is written to disk, everything is fine, the program works, opens files, but if the USB-carrier, it gives out "Failed to open the file".
